Mission Statement:

The mission of the Anglican Church Women in the Diocese of Algoma is to unite all women in promoting the love of Christ with their time, talents and resources.

DIOCESE OF ALGOMA EXECUTIVE 2009 – 2013

Message from the President: It is with some trepidation, much humility, great excitement and eager anticipation that I accepted the position of Diocesan President, with the support of a talented and dedicated Executive. After the wonderful annual in Sault Saint Marie, I left with my head spinning with thoughts, ideas but mostly with the love of so many dedicated women. Your support for the Diocesan Executive is very important to each one of us as we start another year.

With a new strategic plan being implemented at the Diocesan level there is much to consider for the betterment of "the Church" and for ACW. Communication is a high priority and the Executive welcomes this opportunity to join the Diocesan web site in providing information. This does not replace our Newsletter that is the vital link to each parish group, which we hope will become stronger with your input.

I thank Bishop-elect Stephen for his support and look forward to representing all Algoma women at his consecration. We all agree that 2009 is a difficult year for many, economic crisis, with suffering from war and natural disasters, to name a few. We need to pray for a deeper awareness of our environment and the many areas of suffering in society. A BIG task but if each one of us, in a small way, work together, WE CAN MAKE A DIFFERENCE. May God bless you as you go forth in his name to do the ministry and mission of the Church.
Your Sister in Christ
