

The Anglican Sisterhood of St. John the Divine invites women of any denomination, from the age of 21 and up, to travel as Companions along an ancient path from September 2020 – July 2021.

The program is for women who have:

- a desire to deepen their relationship with God, a willingness to follow Jesus in his radical obedience, and an openness to the leading of the Holy Spirit in the path of life;
- membership in the Body of Christ, whether through baptism or intention, and regular participation in some spiritual or religious community;
- the ability to live creatively with others in community.

“ Thus says the LORD: Stand at the crossroads, and look, and ask for the ancient paths, where the good way lies; walk in it, and find rest for your souls.”

(Jeremiah 6:16)

*A journey
just begun*

Would you like to travel as a Companion alongside the Sisters of St. John the Divine for a year?

Companions will develop a rhythm of life, including public and private prayer, engaging in service to others, and learning to live in intentional community.

In addition, you will:

- cultivate an appreciation for counter-cultural values while growing in peace and freedom;
- deepen your rootedness and spiritual intimacy with God and each other in community;
- discover a personal path to spiritual growth and transformation;
- discern individual gifts and vocation.

Room and board are provided by the Sisterhood. Companions, in turn, use their gifts to share in the work of ministry and have the same free time, retreat opportunities, and vacation, as the Sisters.

A Love of Prayer

Learn to pray alongside a community steeped in a life of personal prayer and the daily liturgical rhythm of common prayer in Chapel.

A Commitment to Work

Practice the presence of God while working alongside the Sisters both in the convent and in service to the world outside.

A Time to Study

Grow in wisdom and knowledge through spiritual formation classes for the Companions and, if desired, through courses at Wycliffe College (for credit or as auditor).
