

## **ALGOMA SYNOD 2023**

### **People of Promise**

Greetings, Clergy and Lay Readers:

The excitement grows as Synod draws near! One of the highlights of Synod is for us to join our voices in song and prayer, and to gather around the tables of word and sacrament.

Our gathering begins on Wednesday evening, May 10, 7:00PM, at St. Luke's Cathedral, corner of Albert and Brock Streets. As you likely know, during this year's opening liturgy we will ordain three of the baptized among us as Deacons in Christ's holy catholic church, and three others will be installed as honorary members of the Cathedral Chapter of Canons.

We ask that **clergy** come to Synod prepared to **vest for this celebration**. In keeping with the spirit of the Easter season, **the liturgical colour will be white**.

We also encourage any **Lay Readers attending to vest**.

**Clergy will vest at the Synod Office (6:00 p.m. please) and Lay Readers will vest in the Fellowship Room at the Cathedral (6:15 p.m. please).**

**Reminder:** Please make sure one of the delegates from your parish brings a paper or card naming something new you tried in your Church that worked well or shows promise, and something that did not work well. These will be offered during our evening worship on Thursday.
